

**CAP 2000 PROJECT INFORMATION SUMMARY**  
**Catalog of Federal Domestic Assistance 15-809**

Agreement Number:

00HQAG073

Project Title:

Wisconsin Digital Orthophoto Access and Information Initiative

Proposal Category:

Category 5: Framework Demonstration Projects

Project Summary:

This framework demonstration partnership project builds a prototype web-based resource that showcases digital orthophotography its respects, variations, and dates. Through metadata, ortho images accessible on the Web, an educational module, and a project development and funding module, this project will help users understand, choose, access, and apply this major NSDI resource, and will raise awareness of the need to continue making investments to maintain its value.

Lead Organization:

Wisconsin State Cartographer's Office
